

## Why is our BBQ different?

First and foremost, we smoke ALL of our meats FRESH daily!

We take the time and dedication that all great BBQ takes. Then, we use a real oak wood fired smoker that we tend to the entire time we smoke. We never cut corners and we truly work day and night to give you the best BBQ North of Texas.

We pride ourselves on the “sauce optional” way of BBQ. Our meat stands on its own and we feel you probably won’t need sauce. Our meat is very flavorful and super juicy, just the way real Texas-style BBQ is supposed to be. However, for sauce lovers, we make some of the best handmade sauces around. We currently have our original “Regular Sauce” and our “Sauce with a Kick” that has just a little kick...but it won’t knock your socks off.

We love the BBQ craft and truly enjoy sharing real Texas-style BBQ with all of our customers and dedicated BBQ fans!

Call to schedule preorders. We have a 3 pound minimum for preorders. To accommodate your order, please call by 10 a.m. the day before the day that you need your order.

We can provide larger food options for customer appreciation events, community events, office parties, meeting luncheons, school events, holiday parties, graduation parties, family reunions, weddings and anniversaries, WHOLE HOG BBQ available and so much more! Please call at least a week ahead for larger events.
